

RESOLUTION NO. 2016-8

RESOLUTION OF THE BOARD OF TRUSTEES OF THE MARIN  
COMMUNITY COLLEGE DISTRICT STATING ITS INTENTION  
REGARDING BOND PROJECTS FUNDING

WHEREAS, the Board of Trustees (the “Board”) of the Marin Community College District (the “District”) has determined that certain educational facilities, infrastructure and equipment at each of the District’s campuses need to be constructed, renovated, acquired and equipped in a fiscally prudent manner, to enable the District to maintain College of Marin as a valuable community resource that proves an affordable, local education, which increases the educational opportunities of all local students, including career and support facilities for veterans who desire to learn in-demand job skills or transfer to four-year universities; and

WHEREAS, in the judgment of the Board, it is advisable to provide additional funding to improve facilities to better prepare local students and veterans for transfer to four-year colleges and universities, and/or successful jobs and careers, by means of a general obligation bond, issued in a financially prudent manner; and

WHEREAS, to provide such additional funding, the Board has adopted Resolution 2016-3 ordering an election to be held on June 7, 2016 (the “Election”) which, if approved, would generate up to \$265 million of bond funds for District-wide facility improvements over the period of years that bonds would be issued; and

WHEREAS, as part of Resolution 2016-3, the Board approved a bond project list which will be presented to voters at the Election, which describes the type of projects which would be authorized to be funded from such bonds; and

WHEREAS, notwithstanding that the bond project list does not identify the priority of projects that will be funded from the bonds, nor does it distinguish between the Kentfield and Indian Valley campuses, the Board desires to express its commitment to implement a new vision for the Indian Valley campus and to recognize that a portion of the proposed bond measure will be applied toward the realization of this vision.

NOW THEREFORE, THE BOARD OF TRUSTEES OF THE MARIN COMMUNITY COLLEGE DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. The Board is committed to implement a new vision for the District’s Indian Valley campus, which vision reflects a growing student enrollment, prompted, in part, by expanded course offerings which include courses that will facilitate students ability to transfer to four-year universities, or receive career technical education/job training, and courses which provide community education.

Section 2. The Board is committed to continue to build on new partnerships with K-12 schools which would contribute to increased enrollment at College of Marin.

Section 3. The Board is further committed to ensuring that District athletic and community accessible recreational facilities, including, but not limited to, the pool and related facilities, are well maintained and will remain available for use by the public.

Section 4. If the bond measure before the voters at the Election receives the required 55% approval for the bond to pass, the Board will do substantial community outreach and build upon community partnerships to discuss the plans, designs and priorities for the revitalized Indian Valley campus, and commit resources from the bonds to fully upgrade the Indian Valley campus so that services and enrollment at that campus are expanded and increased.

ADOPTED, SIGNED AND APPROVED this 8th day of March, 2016.
